*members' club*

unlike traditional members' clubs we don't target specific professions, incomes or classes.  
we want a wide-ranging group of personalities to create an eclectic atmosphere – crazy bear style.

it's probably not worth joining if you want conventionality or pretentiousness, we don't do either.  
if you like the crazy bear fitzrovia, stadhampton or beaconsfield – it's worth joining!

our introduction process is straight forward –  
we can arrange 24 hour temporary membership for anyone who would like a trial visit;  
if you like us and we like you, you can join straight away.  
*alternatively, you can apply on-line*
